2

Direction of travel

Denver - Golden

In my opinion this route is safe for cyclists

2

This route has places where I felt unsafe

Yes

List unsafe locations

32nd ave into Golden. We actually continued on 29th to Newland then on 26th to Youngfield to 20th. All this was okay. We did not want to ride on 32nd into Golden again.

The level of traffic on this route is:

Heavy

The surface condition of this route is

Acceptable

I would ride this route again

Disagree

2

Direction of travel

Both

In my opinion this route is safe for cyclists

2

This route has places where I felt unsafe

Yes

List unsafe locations

- No shoulders on certain segments of 32nd Ave
- The intersection of 29th Ave and Speer is tricky with not much room for cyclists at the light.

The level of traffic on this route is:

Heavy

The surface condition of this route is

Acceptable

I would ride this route again

Disagree
